The Audio Division stated in the *NPRM* that, from the proposed reference coordinates, the Proposal would be consistent with the Commission's technical requirements.

NPRM at ¶ 4. The *NPRM* noted that, because the Proposal is within 320 meters of the U.S.-Canadian border, concurrence is necessary and has been requested. *NPRM* at ¶ 4.

The *NPRM* confirmed that, because the existing and proposed 70 dBu contour of KSNR(FM) covers 100 percent of the Grand Forks, North Dakota-Minnesota Urbanized Area, no showing of independence from the urbanized area is necessary. *NPRM* at ¶ 5.

A statement from Citicasters affirming that it will apply for the allotment if changed as proposed is attached.

For the foregoing reasons, the Commission should adopt the changes in the Table of Allotments set out in the *NPRM* and should approve the proposed modification of KSNR(FM)'s license pursuant to Section 1.420(i) of the Commission's Rules.

Respectfully submitted,

CITICASTERS LICENSES, L.P.
